Subscriber Agreement

By becoming a subscriber to LAKE LAND MEATS REVOLUTION 2012, I recognize that I am supporting a Community Shared Agriculture initiative aimed at improving livelihoods of producers and delivering higher quality product to consumers. I further recognize that there are risks associated with this subscription that may disrupt the ability of Lake Land Meats to deliver the product I am subscribing for, that vouchers are not redeemable for cash value and that delivery of product is subject to availability. I am willing to take the risks, along with the producers, as I acknowledge the benefits success will bring to the community.
